On Saturday, June 19, 2021 – Greenetrack will host Greene County’s first ever Juneteenth Celebration. This event was created to spread awareness about the significance of freedom from slavery for African Americans. History relays that it was on June 19, 1865 that slaves were notified of freedom in Galveston, Texas. It’s interesting to note that the news was shared 3 years after the Emancipation Proclamation was ratified. It is also recorded that Texas slave owners knew about the government mandate freeing African Americans from slavery, but ignored the order, and did not yield to it until Union troops forced them to release slaves from bondage.

The Ms. Juneteenth Pageant is designed to showcase beautiful and talented African Americans. The Pageant is open to young ladies 17 years of age and older who have been accepted, or are currently enrolled in higher education institutions. \$5,000 in prize money will be awarded to 1st, 2nd and 3rd place winners...
